

WNS Announces Board Authorization of ADS Repurchase Program

January 18, 2018

NEW YORK & MUMBAI, India--(BUSINESS WIRE)--Jan. 18, 2018-- WNS (Holdings) Limited (WNS) (NYSE:WNS), a leading provider of global Business Process Management (BPM) services, today announced that its Board of Directors has authorized a program to repurchase up to 3.3 million American Depositary Shares ("ADSs"), each representing one ordinary share, at a price range of \$10 to \$100 per ADS. The share repurchase program is subject to shareholders' approval. WNS intends to convene an extraordinary general meeting of its shareholders in the fourth quarter of fiscal 2018 to seek shareholders' approval of the share repurchase program. If shareholders approve the repurchase program, ADSs may be purchased in the open market from time to time for a period of 36 months from the date of shareholders' approval. WNS intends to fund the share repurchases with cash on hand. These repurchases will be made in compliance with the SEC's Rule 10b-18, subject to market conditions, applicable legal requirements and other factors. The plan does not obligate the company to repurchase any specific number of shares and may be suspended at any time at management's discretion. The company had 50.3 million ordinary shares outstanding as of December 31, 2017.

Safe Harbor Statement

This release contains forward-looking statements, as defined in the safe harbor provisions of the US Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on our current expectations and assumptions about our Company and our industry. Generally, these forward-looking statements may be identified by the use of terminology such as "anticipate," "believe," "estimate," "expect," "intend," "will," "seek," "should" and similar expressions. These statements include, among other things, the discussions of our proposed share repurchase program, our intention to convene an extraordinary general meeting to seek shareholders approval to approve it, and our intention to fund share repurchases under the program with cash on hand. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements. Such risks and uncertainties include but are not limited to worldwide economic and business conditions; political or economic instability in the jurisdictions where we have operations; regulatory, legislative and judicial developments; our ability to attract and retain clients; technological innovation; telecommunications or technology disruptions; future regulatory actions and conditions in our operating areas; our dependence on a limited number of clients in a limited number of industries; our ability to expand our business or effectively manage growth; our ability to hire and retain enough sufficiently trained employees to support our operations; negative public reaction in the US or the UK to offshore outsourcing; the effects of our different pricing strategies or those of our competitors; and increasing competition in the BPM industry. These and other factors are more fully discussed in our most recent annual report on Form 20-F and subsequent reports on Form 6-K filed with or furnished to the US Securities and Exchange Commission (SEC) which are available at www.sec.gov. We caution you not to place undue reliance on any forward-looking statements. Except as required by law, we do not undertake to update any forward-looking statements to reflect future events or circumstances.
