

WNS Extends Strategic Engagement with Canopus

Monday, December 9, 2024

NEW YORK & LONDON & MUMBAI, India--(BUSINESS WIRE)--Dec. 9, 2024-- WNS (Holdings) Limited (NYSE: WNS), a digital-led business transformation and services partner, today announced that it has extended its transformation-led strategic engagement with Canopus Group (Canopus), a leading global specialty and P&C lines (re)insurer.

Under this extension, WNS will consolidate Canopus' existing relationships by implementing proprietary, technology-led solutions which will enhance operational efficiency, accelerate innovation, and drive market differentiation.

WNS will also work with Canopus to develop digital solutions that empower its underwriters and claims professionals with tools to optimize their day-to-day business.

The WNS comprehensive suite of [digital solutions](#) will enable Canopus to harness the full potential of [data-driven insights](#) - refining specialty insurance processes to drive business growth and maintaining a competitive edge in an evolving marketplace.

"We are delighted to extend our strategic engagement with Canopus, and to 'co-create' cutting-edge digital solutions to optimize operations, drive business growth, and redefine insurance industry excellence. WNS is proud to continue our track record of delivering deep domain expertise and differentiated capabilities to a wide variety of clients including brokers, managing general agents (MGAs), and syndicates across Lloyd's and the London business insurance landscape," said Keshav R. Muruges, Group CEO, WNS.

"In WNS, we have found the ideal partner to help us streamline business processes and operations, and reduce operational costs while bringing innovation in all that we do. We are excited to co-create transformative solutions with WNS, which support our growth strategy while embedding efficiencies and enhancing our organizational agility in a rapidly evolving market," said Kate Roy, Group Chief Operating Officer, Canopus.
