

WNS Named "Best Performing FAO Provider" in 2008 Global Services 100 List

February 11, 2008

Leading BPO services provider recognized for best practices in Finance & Accounting solutions

NEW YORK, Feb 11, 2008 (BUSINESS WIRE) -- WNS (Holdings) Limited (NYSE: WNS), a leading provider of global business process outsourcing (BPO) services, today announced it has been awarded "Best Performing FAO Provider" by Global Services magazine.

The Global Services 100, now in its third year, is a compilation of the world's most innovative service providers, selected on the basis of a research study conducted by Global Services and neoIT, a leading offshoring and outsourcing advisory firm. The list is designed to enable buyers of business and technology solutions to identify the leading providers in key service areas. The top performers in ten categories demonstrate market leadership, innovation and outstanding customer service.

"WNS delivers excellence in its finance and accounting outsourcing solutions through rigorous adherence to risk management practices, ongoing training in finance and accounting to promote continuous improvement, and high customer service standards. This strong foundation allows us to seek innovation on behalf of our clients, taking performance to the next level," said Neeraj Bhargava, CEO of WNS Global Services. "This award recognizes WNS' track record of delivering efficient, quality processes and demonstrates its commitment to drive client success."

Awards are given to BPO, IT and customer-care service providers. Selections are based on both provider submissions and customer and analyst inputs. Winners will be honored at the Global Services Conference awards ceremony in New York City on March 12, 2008.
