

WNS Awarded 'Best New BPO Locator of the Year' in The Philippines

April 5, 2010

MUMBAI, INDIA and MANILA, PHILIPPINES, Apr 05, 2010 (MARKETWIRE via COMTEX) --WNS (Holdings) Limited (NYSE: WNS), a leading provider of global business process outsourcing (BPO) services, has been recognized as 'Best New BPO Locator of the Year' at the 2010 International ICT Awards ceremony in Manila. Prabhakar Bisen, CEO of WNS Philippines, accepted the award on behalf of the company at the ICT gala awards night on March 25, 2010.

The awards are organized annually by the Business Processing Association of Philippines (BPAP) and the Canadian Chamber of Commerce of The Philippines to recognize the achievements of individuals, companies and the industry.

WNS Philippines was recognized for the exceptional growth it achieved in the region over a short period of time. The company was also recognized for quality leadership, training and development programs, corporate social responsibility initiatives, and overall contribution to the ICT industry in the country.

"In a short span of 20 months, WNS Philippines has been able to demonstrate high performance on all fronts," said Keshav Muruges, Group CEO, WNS Global Services. "We are honored to be recognized by this prestigious award for our rapid growth and client success in the region. It is a testament to the quality of talent we have been able to attract and the exceptional work of our employees."

WNS launched its Philippines operations in July 2008 and has increased the number of employees in this region significantly since its inception. Its delivery centers in Cubao and Eastwood City in Metro Manila serve a broad range of clients in various industries, including telecommunications, consumer products, logistics, travel and financial services, delivering both front office and high-end back office operations.

About WNS

Safe Harbor Statement under the provisions of the United States Private Securities Litigation Reform Act of 1995

These forward-looking statements are based on our current expectations, assumptions, estimates and projections about our Company and our industry. The forward-looking statements are subject to various risks and uncertainties. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "anticipate," "believe," "estimate," "expect," "intend," "will," "project," "seek," "should" and similar expressions. Those statements include, among other things, the discussions of our business strategy and expectations concerning our market position, future operations, margins, profitability, liquidity and capital resources. We caution you that reliance on any forward-looking statement involves risks and uncertainties, and that although we believe that the assumptions on which our forward-looking statements are based are reasonable, any of those assumptions could prove to be inaccurate, and, as a result, the forward-looking statements based on those assumptions could be materially incorrect. These factors include but are not limited to worldwide economic and business conditions; political or economic instability in the jurisdictions where we have operations; regulatory, legislative and judicial developments; our ability to attract and retain clients technological innovation; telecommunications or technology disruptions; future regulatory actions and conditions in our operating areas; our dependence on a limited number of clients in a limited number of industries; our ability to expand our business or effectively manage growth; our ability to hire and retain enough sufficiently trained employees to support our operations; negative public reaction in the US or the UK to offshore outsourcing; increasing competition in the BPO industry; our ability to successfully grow our revenue, expand our service offerings and market share and achieve accretive benefits from our acquisition of Aviva Global Services Singapore Pte. Ltd. (which we have renamed as WNS Customer Solutions (Singapore) Private Limited following our acquisition), or Aviva Global, and our master services agreement with Aviva Global Services (Management Services) Private Limited; and our ability to successfully consummate strategic acquisitions. These and other factors are more fully discussed in our annual report on Form 20-F for the fiscal year ended March 31, 2009 filed with the U.S. Securities and Exchange Commission which is available at www.sec.gov. In light of these and other uncertainties, you should not conclude that we will necessarily achieve any plans, objectives or projected financial results referred to in any of the forward-looking statements. Except as required by law, we do not undertake to release revisions of any of these forward-looking statements to reflect future events or circumstances.
