### **Safe Harbor Statement under the provisions of the United States Private Securities Litigation Reform Act of 1995**

This release contains forward-looking statements, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on our current expectations, assumptions, estimates and projections about the Company and our industry. The forward-looking statements are subject to various risks and uncertainties. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "anticipate," "believe," "estimate," "expect," "intend," "will," "project," "seek," "should" and similar expressions. These statements include, among other things, the discussions relating to the impact of the adoption of IFRS, including the expected impact of the IFRS exposure draft on hedge accounting. We caution you that reliance on any forward-looking statement involves risks and uncertainties. Although we believe that the assumptions on which our forward-looking statements are based are reasonable, any of those assumptions could prove to be inaccurate, and, as a result, the forward-looking statements based on those assumptions could be materially incorrect, including the impact of the adoption of IFRS may differ materially from those expressed or implied in such forward-looking statements. Except as required by law, we do not undertake to release revisions of any of these forward-looking statements to reflect future events or circumstances.
