

WNS Collaborates with Kyriba® to Deliver Treasury and Cash Management Capabilities

December 4, 2012

Alliance combines global BPO leader with best-in-class treasury management systems

MUMBAI, India & SAN DIEGO--(BUSINESS WIRE)--Dec. 4, 2012-- WNS (Holdings) Limited (WNS) (NYSE: WNS), a leading provider of global business process outsourcing (BPO) services, today announced its collaboration with [Kyriba](#), the leader in cloud-based treasury management solutions, to further strengthen its finance and accounting (F&A) capabilities. WNS will now offer Kyriba's SaaS treasury and cash management solutions to its clients and Kyriba will offer WNS' transformation, re-engineering, project management and data analysis services to its clients across the globe.

This alliance will further strengthen WNS' capabilities in treasury automation and risk management, delivering performance, visibility, and security to its customers with a fully integrated solution. Kyriba is a recognized global leader in cash management and optimization, bank fee analysis, and financial risk management. This new strategic alliance will enable client organizations to manage these activities through a single, cloud-based solution.

"Today, our clients want compelling and complete business solutions which give them immediate value by improving business processes and speed-to-market solutions, while reducing costs," said Keshav R. Muruges, Group CEO, WNS. "WNS and Kyriba will combine their strengths to deliver valuable cloud-based F&A solutions that provide enhanced customer service with deeper domain expertise."

"We are pleased to join forces with WNS to help the company's clients gain deeper visibility into their cash positions and make their treasury functions more streamlined," said Jean-Luc Robert, chairman and CEO of Kyriba. "Our cloud-based treasury solutions enable enterprises to efficiently manage cash, investments, and risk management requirements, and our alliance with WNS will help our respective customers to further advance their finance and accounting operations. We also look forward to offering both BPO and F&A services."
