

WNS Assessed a 'Leader' in NelsonHall NEAT Evaluation for Overall Property and Casualty BPO

March 31, 2014

NEW YORK & MUMBAI, India--([BUSINESS WIRE](#))--[WNS](#) (Holdings) Limited (WNS) (NYSE:WNS), a leading provider of global Business Process Management (BPM) services, today announced it has been named a 'Leader' in NelsonHall's NEAT assessment for Overall Property and Casualty (P&C) BPO.

"NelsonHall's NEAT evaluation is a global barometer for recognizing excellence in the outsourcing space. Being acknowledged as a P&C 'Leader' in this assessment is a significant achievement for WNS. This recognition speaks to the value that WNS provides to many of the world's leading insurers with its deep domain expertise and flexible solutions delivered through the P&C Center of Excellence," said Keshav R. Muruges, Group CEO, WNS.

The WNS P&C service suite offers comprehensive solutions across the P&C value chain, including underwriting support, sales support & new business set-up, policy administration, revenue management, claims administration, high-end [analytics](#), data management & reporting, and [actuarial support](#). WNS's expertise in the P&C claims management area (including the proprietary auto insurance claims processing platform) enables clients to improve efficiency, cost and business insights.

NelsonHall is a renowned BPM analyst firm. The NelsonHall (vendor) Evaluation & Assessment Tool (NEAT) score is based on a combination of analyst assessment (principally around measurements of the ability to deliver immediate client benefit) and feedback from client interviews (principally measurements of levels of partnership and ability to meet future client requirements).
