

WNS and Transparent Group BV Enter into a Strategic Partnership to Expand the Finance & Accounting Service Portfolio

September 5, 2014

NEW YORK & MUMBAI, India & AMSTERDAM--(BUSINESS WIRE)--Sep. 5, 2014-- [WNS](#) (Holdings) Limited (WNS) (NYSE:WNS), a leading provider of global Business Process Management (BPM) services has entered into a strategic partnership with Transparent Group BV (Transparent), a leading provider of recovery and audit solutions. Transparent's solutions — focused on Accounts Payable analysis, data enrichment, active benchmarking, and supplier analysis — will become a part of the existing portfolio of WNS's Finance & Accounting (F&A) services. This partnership strengthens WNS's higher-end offerings in the Finance & Accounting Outsourcing (FAO) value chain. With this partnership, Transparent and WNS set a teaming agreement with the intention to work together towards pursuing new business opportunities. The Transparent data mining process will become an exclusive extra service, and provide added value for the clients of WNS.

"In the last few years, WNS has established its presence as a leader in the FAO domain. Our reputation in FAO is backed by our industry-focused F&A delivery, technology-enabled solutions, and our business process consulting approach to help transform our clients' business processes. With Transparent's pioneering recovery & audit solutions, we are adding a formal and organized layer of analytics to our F&A suite of offerings that will provide a competitive advantage in the F&A domain," said Keshav R. Muruges, Group CEO, WNS.

"I am excited to join forces with WNS. WNS is a leading global BPM player and recognized as a leader in the F&A outsourcing domain. Together with WNS, we aim to build a comprehensive solution that will exceed our achievements so far," said Willem-Jeroen Stevens, CEO, Transparent.

With this partnership, WNS and Transparent will collaborate to leverage each other's expertise and generate new business opportunities in the F&A space. In future, this partnership will create an outcome-based service delivery mechanism for clients.
