

WNS Positioned as a 'Leader' in Everest Group 2014 Insurance PEAK Matrix™ Report

December 18, 2014

NEW YORK & MUMBAI, India--(BUSINESS WIRE)--Dec. 18, 2014-- WNS (Holdings) Limited (NYSE: WNS), a leading provider of global Business Process Management (BPM) services, today announced that it has been positioned as a 'Leader' in Everest Group's [Insurance BPO – Service Provider Landscape with PEAK Matrix™ Assessment 2014 report](#). WNS was recognized for its market success and overall Insurance BPM service-delivery capability.

"WNS is honored to be recognized as a 'Leader' in the insurance space. We believe that our deep domain expertise, industry-specific solutions and commitment to customer service have enabled WNS to create differentiated positioning in the insurance BPM market. As a direct result, we are able to help our clients manage operational costs, adapt to regulatory changes and better compete," said Keshav R. Murugesh, Group CEO, WNS.

WNS's [insurance BPM solutions](#) are built on the company's deep experience of delivering business process solutions for several of the world's leading insurers. The insurance BPM vertical features industry-specific services and horizontal capabilities including finance and accounting, business and financial research, and analytics. These services are delivered across the value chain of Property and Casualty, [Life, Pensions, and Annuity](#).

WNS also has one of the BPM industry's largest actuarial practices. WNS offers a comprehensive suite of actuarial services that include Financial Reporting and Measurement, Actuarial Systems and Technical Support, Product Development, Underwriting and Pricing, Claims Reserving and Claims Analytics.

Everest Group's PEAK Matrix is a framework to assess the relative market success and overall capability of service providers. Service providers are positioned on the PEAK Matrix based on evaluation across two key dimensions: Market success measured by revenue and number of clients, and Delivery capability measured by scale of operations, scope, technology, delivery footprint, and buyer satisfaction. The PEAK Matrix segregates service providers into three categories – Leaders, Major Contenders and Emerging Players.
