

WNS Positioned as a 'Leader' in NelsonHall NEAT Vendor Evaluation for Mortgage and Loan BPO

June 10, 2015

NEW YORK & MUMBAI, India --(BUSINESS WIRE)--June 11, 2015-- WNS (Holdings) Limited (NYSE: WNS), a leading provider of global Business Process Management (BPM) services, today announced that it has been positioned as a 'Leader' in NelsonHall's NEAT vendor evaluation for [Mortgage](#) and Loan BPO (Overall market segment).

"We are happy to be recognized as a 'Leader' in the Mortgage and Loan BPO space. NelsonHall's NEAT evaluation report is a testament to the outperformance that we drive in our clients' businesses. WNS' deep domain expertise, diverse experience, multi-shore delivery capability, and strong focus on operational excellence were instrumental in achieving this recognition. Our focus on talent management, developing innovative technology platforms and embedding analytics for insightful business decision-making are helping drive long-term value for our clients in this sector," said Keshav R. Muruges, Group CEO, WNS.

NelsonHall's report highlights WNS' resilience and adaptability in servicing the dynamic changes in the mortgage processing industry. WNS has been able to service its clients as the industry focus shifted from origination to servicing, to default management, and now back to originations. WNS continues to provide clients with operational flexibility to help them mitigate the challenges of industry cycles.

Today, WNS delivers end-to-end Mortgage and Loan BPM services, and offers multi-shore solutions across the entire loan cycle. As a leading BPM player in this domain, the company provides a seamless end-customer experience, speed-to-market, operational efficiency and cost reduction for its clients. With its deep domain knowledge and experience, WNS ensures rapid deployment of onshore, offshore and dual-shore services, leading to a faster ROI for clients. WNS has also built a strong Mortgage Analytics practice to generate actionable business insights for its clients.
