

## WNS named as a 'Leader' in Worldwide Finance & Accounting BPO Services in IDC MarketScape 2015 Vendor Assessment Report

June 15, 2015

NEW YORK & MUMBAI, India--(BUSINESS WIRE)--Jun. 15, 2015-- WNS (Holdings) Limited (NYSE: WNS), a leading provider of global Business Process Management (BPM) services, today announced that it has been named as a 'Leader' in the IDC MarketScape: Worldwide Finance and Accounting (F&A) BPO Services 2015 Vendor Assessment Report (doc #256297, June 2015).

"We are delighted to be recognized as an F&A 'Leader' in the latest IDC MarketScape report. Our capabilities in this area are the result of our vast experience, deep domain expertise, innovative technology solutions, global delivery model and the strong analytics capabilities. WNS provides industry-specific F&A solutions that optimize and transform our clients' businesses, helping deliver a positive impact to the top- and bottom-lines. The WNS approach is designed to help shape our client's internal business strategies by transforming and managing end-to-end process cycles and financial operations," said Keshav R. Muruges, Group CEO, WNS.

WNS was highly rated in the IDC MarketScape report by buyers of F&A BPM services, specifically in the areas of platform capabilities, value delivered to clients, and ability to lower operational costs, handle changes in project scope, and integrate both its own and the client teams. As per the report, WNS has experience in delivering large-scale and complex F&A transformation programs, and have successfully managed:

- Rapid, large-scale transitions
- Implementation of shared service centers and rationalization of financial systems to optimize and consolidate its clients' information technology platforms
- Multi-location, multisystem global finance and accounting consolidation
- End-to-end processes ranging from simple, transaction-based processes to high-end, judgment-based processes, such as analytics and treasury

WNS is a top-tier, end-to-end global BPM service provider with over 18 years of experience in the F&A domain. With over 8,300 dedicated F&A professionals spread across 37 delivery centers in 10 countries, today WNS caters to over 80 global F&A clients in 20 different languages. WNS offers specific [F&A solutions](#) in eight industry verticals including Banking & Finance, Insurance, Media, Retail CPG, Manufacturing, Shipping and Logistics, Telecom, Travel and Utilities. WNS leverages its strong [analytics capabilities](#) and [technology-enabled](#) proprietary platforms to deliver business insights and outcome-based F&A solutions to its clients.

### About IDC MarketScape

IDC MarketScape vendor analysis model is designed to provide an overview of the competitive fitness of ICT (information and communications technology) suppliers in a given market. The research methodology utilizes a rigorous scoring methodology based on both qualitative and quantitative criteria that results in a single graphical illustration of each vendor's position within a given market. IDC MarketScape provides a clear framework in which the product and service offerings, capabilities and strategies, and current and future market success factors of IT and telecommunications vendors can be meaningfully compared. The framework also provides technology buyers with a 360-degree assessment of the strengths and weaknesses of current and prospective vendors.
