

WNS Ranked as a 'Leader' in NelsonHall's Wealth and Asset Management BPS NEAT 2016

May 11, 2016

NEW YORK & MUMBAI, India--(BUSINESS WIRE)--May 11, 2016-- WNS (Holdings) Limited (NYSE: WNS), a leading provider of global Business Process Management (BPM) services, today announced that it has been named as a 'Leader' in NelsonHall's Wealth and Asset Management BPS NEAT 2016 Report in the categories of Pre-Investment Focus, Post-Investment Focus and Overall.

"We're honored to be recognized as a 'Leader' in NelsonHall's 2016 Wealth and Asset Management BPS NEAT Report," said Keshav R. Muruges, CEO, WNS. "This recognition highlights our capabilities in the wealth and asset management BPS space, including analysis of investment instruments, data management, and compliance. Our ranking underscores WNS' strength in Banking BPM services, which was earlier recognized by NelsonHall in their analytics and reporting BPS NEAT," he added.

According to Andy Efstathiou, Research Director at NelsonHall, "WNS has a market leading wealth and asset management BPO capability. WNS' wealth BPO services are strong in investment analysis or instrument analysis (fixed income and equities), as well as data management and compliance. WNS has been able to attract clients based on its research capabilities, which were developed with very strong training for employees, to develop high-level, domain relevant skills."

WNS has built a strong and scalable practice in [Wealth and Asset Management](#), with more than 500 employees and over 50 processes managed for clients across the globe. The company's Banking and Financial Services vertical today delivers niche services including credit and equity research, portfolio management, data analytics, compliance, and client investment reports.
