

WNS Ranked a 'Leader' in NelsonHall's 2016 NEAT Report for Life, Annuities & Pensions (LA&P) BPS

August 8, 2016

NEW YORK & MUMBAI, INDIA--(BUSINESS WIRE)--Aug. 8, 2016-- WNS (Holdings) Limited (NYSE: WNS), a leading provider of global Business Process Management (BPM) services, today announced that it has been named a 'Leader' in NelsonHall's 2016 NEAT vendor evaluation report for Life, Annuities & Pensions (LA&P) BPS.

'Leaders' were cited for their ability, relative to peers, to deliver immediate benefit and to meet client's future requirements. The NelsonHall report highlighted WNS' strong insurance emphasis and domain capability, current client base and capability to service life insurers in both the US and UK, ability to deliver end-to-end services, focus on achieving cost savings of up to 50%, and a specialized and expanding Research and Analytics capability.

"WNS is excited to be ranked as a 'Leader' in the NelsonHall LA&P BPS report," said Keshav R. Muruges, Group CEO, WNS. "We believe this recognition is reflective of the company's differentiated positioning in the Insurance market. Our deep domain expertise, end-to-end service offerings and embedded analytics are helping our clients transform their mission-critical business processes, enabling them to reduce cost, meet changing regulatory requirements, leverage large amounts of data, and improve the end-client experience."

Panos Filippidis, Insurance Research Analyst with NelsonHall, said, "WNS has shown good progress with its offerings innovation and delivery capability by leveraging its analytics and actuarial practices for the benefit of its life insurance clients. It is investing in RPA capabilities to further enhance its services, while focusing on BaaS implementations that are currently in demand."

WNS is a strategic partner to over 30 global insurers. WNS provides end-to-end BPM solutions across the [LA&P](#) value chain, including customer interactions, operations, decision support and shared services. The company has over 7,000 resources across the globe managing new business development, distribution channel management, claims processing, policy administration, actuarial services and new product development.
